

Professional Learning Education Hub,
PLEdHub@Deakin presents

STEMFEST 2020

Teacher Professional Learning for STEM futures

- A virtual event with over 20 interactive workshops to choose from.
- Innovative activities to engage all students in meaningful learning in Mathematics, Science and STEM education.
- A focus on teacher collaboration and leadership around effective STEM teaching strategies, aligned with the Victorian Teaching and Learning Model and Practice Principles.
- Suitable for Early Years, Middle Years, Senior Years educators

Each workshop offers the unique opportunity for ongoing professional learning in 2021, tailored to your school context.

Date: Friday 20th November

Time: 9am – 3pm

Registration includes a selection of four one hour interactive workshops, one per session. Free inclusion of 'Spotlight' sessions.

Schools/Centres may provide the opportunity for a different teacher/educator to attend each session.

Cost: \$100 early bird registration / Deakin Alliance schools.

\$150 after 6th November

Registration: [PLEdHub](https://deakinpledhub.org/)
