

# Contemporary approaches to research

In mathematics, science, health and environmental education symposium

21-22 November 2024, Deakin Downtown (Docklands) & online (Zoom)

Each year this symposium focuses on practical and theoretical aspects of a range of research methodologies – such as cross-cultural perspectives, activity theory, capturing complexity, classroom video analysis, quantitative methods, and interviewing – which are discussed in a lively, informal setting.

## Keynote speakers

**Linda Hobbs**  
Professor of  
Science Education  
Deakin University

**Justin Dillon**  
Professor of Science and  
Environmental Education  
University College London

## Submit an abstract

If you're interested in presenting, please register your expression of interest before Friday 11 October 2024 at [deakinsteve.org/event/2024carsymposium](https://deakinsteve.org/event/2024carsymposium).

## Registration

\$55-\$95 per person, per day or free (online)
